

502 RENTALS AND SERVICE CHARGES

Rentals

The Division may, from time to time, establish schedules of rental fees for the rentals of its facilities and equipment. Requests for special rates, extended contracts for usage, or use by commercial groups, shall be by application to the Superintendent. Approved rates for the current year are to be published annually.

Service Charges

The Division may, from time to time, establish rates for service charges to individuals, groups, or organizations using Division services.
