

521 STUDENT FEES AND FUND-RAISING

The Division supports the endeavours of the student body to provide suitable activities for which fees are deemed necessary. However, the fees charged shall not eliminate students from the activities. The Principal shall approve fee charges.

All the following fund-raising and disposition of funds raised in this manner require approval by the Principal.

1. Student fund-raising must have worthwhile educational objectives and funds raised directed to suitable projects and activities.
2. Projects at the classroom levels may be organized to offset expenses beyond Division contributions.
3. Projects to assist in obtaining equipment for the school in addition to or jointly with that purchased by the Division.
4. Projects to raise funds for charities are supported by the Division.

All funds of student organizations shall be subject to audit by the Secretary-Treasurer.
