 - Proceeding to the implementation stage of developing the land adjacent to Lawrence Grassi Middle School.

Summary of Facility and Capital Plans

IMR funding is used to preserve and improve the quality of school facilities through planned repair or replacement of major building components that are near, or have reached the end of their life cycle.

Projects for 2022-23 include:

- Continued replacement of failing Smartboards with new TV's in all schools
- Continued installation of strobe lights installed at all schools (including gymnasiums, music rooms and shops)
- Building Envelope (painting and sealing) at Banff Community High School and Lawrence Grassi Middle School
- Interior Flooring work at Elizabeth Rummel School and Canmore Collegiate High School
- Interior Painting Elizabeth Rummel School
- Gender Neutral washroom Lawrence Grassi Middle School
- Complete Buildings Review with Johnson Controls
- Building Envelope (staining) Central Board Office
