September 21, 2022
7:00 p.m.
Central Board Office

School Council Meeting Dates LGMS—October 4

All other School Council Meeting dates TBD

Communications Coordinator

School Bus Drivers

Interested candidates are invited to send a resume to
hr@crps.ca.

The August 30th CRPS Public School Board meeting was held in a hybrid format. Members of the community are invited to attend face-to-face or via google meet. This is a great opportunity to stay informed on what is happening in your child's school today and to help shape it's future. This meeting was recorded and the recording is posted on the Division website.

Future's Planning—New Course Offerings!!

Synthetic Biology, Environmental Sustainability, Applied Design, Skills and Technologies and Design Thinking/Makerspace are amongst the exciting new courses being offered at our high schools. These courses address real-world problems, allowing students to explore disciplines that are relevant now and into the future.

CRPS Partnership Offers Outdoor Education Opportunities for Northern Lights School Division High School Students.

CRPS is proud to share our expertise and amazing outdoor education experiential learning opportunities with Northern Lights Public Schools. Follow the [link](#) for more information.

Summer CALM

Summer programming continued to thrive at the Canadian Rockies Outdoor Learning Centre (CROLC). Summer CALM was offered in-person, as well as virtual, with 294 students benefiting from this amazing program. Students from within the division as well as outside Canadian Rockies took part. Sustaining this program has been supported by continued partnerships with our community presenters, the incredible CALM staff, and increased promotion of the course and networking throughout Alberta. Families are already inquiring and interested in registering their children for next summer. Watch for registration information in early December.

BCHS/BES Parent Letter

The Board of Trustees, in a letter sent to all families of Banff Community High School and Banff Elementary

School students, reaffirmed the corporate commitment to the viability of all Banff community schools. Follow the [link](#) to view the Banff Parent Letter.

Public School Board Organizational Meeting

At the Public School Board Organizational Meeting held on August 30, 2022, Trustee Arlene Rheume was elected to the position of Chair, and Trustee Brian Callaghan was elected to the position of Vice-Chair for the 2022-2023 school year.

Trustee representatives were also selected for the following committees: Alberta School Boards' Association (ASBA) Zone 5, Public School Boards' Association of Alberta (PSBAA), Local Bargaining Committee, Teachers Employer Bargaining Association (TEBA), Teacher Board Advisory Committee (TBAC), Audit Committee, Policy Review, and Board Highlights.

The CRPS Board of Trustees look forward to another amazing year, and are excited to hear the stories of teaching and learning, and visiting the schools to see this in action.

Correction—Exshaw School Donation

The June issue of the Board Highlights indicated that the Rotary Club of Canmore donated \$5000 towards Sensory equipment at Exshaw School. The article should have specified that the Rotary Club of Canmore donated \$2500 and the additional \$2500 was a donation from Embrace International Foundation for a total of \$5000. CRPS sincerely appreciates the support from both the Rotary Club and Embrace International and apologizes for any confusion this may have caused.
